Do not run up on that nigga

Send shooters at yo top 'cause I ain't have time to send them shots
Your bitch gon' up that top when she see me 'cause she a thot
Point choppa at your top to let it pop, then watch you drop
(He will shoot yo ass)

I'd be damned if I'm caught lackin' with no pole
Put dick up in her throat then make her go 'cause she a hoe
This choppa got a scope, I aim that beam right at your nose
She hopped up in my ghost then we went home, she lost her clothes
(He will shoot yo ass)
