

## Jumpman 4's

Comethazine

I'm a rich nigga, you's a ho-ass dork  
I might fuck his bitch up in some Nike shorts  
Stomp a nigga out in some Jumpman 4's  
Gang up in this bitch, lookin' like task force  
I'm a rich nigga, you's a ho-ass dork  
I might fuck his bitch up in some Nike shorts  
Stomp a nigga out in some Jumpman 4's  
Gang up in this bitch, lookin' like task force

Ran out of 'Woods, I don't got no more  
You know what that mean? I gotta hit the store  
Feelin' like that nigga when I walked in the door  
Run down with this choppa, send that nigga to the Lord  
I don't count money, that's what my bankteller's for  
And my credit score is a 774  
Gas pack loud, so it's hard to ignore  
This cookie pack'll knock a nigga out, make him snore  
Jewelry on a nigga that you cannot afford  
Wrist look like water, like I got it at the shore

I'm a rich nigga, you's a ho-ass dork  
I might fuck his bitch up in some Nike shorts  
Stomp a nigga out in some Jumpman 4's  
Gang up in this bitch, lookin' like task force
