

Just Saying

Comethazine

If you ain't got no diamonds on yo' neck, then how you drippin'? ?

If you ain't got no diamonds on yo' neck, then how you drippin', then?

And if you ain't pourin' up and sippin' tech, then what you sip pin' on?

If you ain't got a choppa or a Tec, then what you grippin' on?

If you ain't smokin' grandma cookie thrax, then what you trippi n' on?

If you not really 'bout to throw it back, then why you strippin ', then?

If you ain't pull up in this white Hellcat, then what you dippi n' in?

And if you're not gon' contribute to my money, mind your busine ss, man

And if he knows where and when and what I did, I kill the witne ss, then

I slide down big ladder, lit him like a cig, then I finished hi m

Pull out, shoot a nut to her wig, then dismissed the ho

Had to locate, find out where he live, then get rid of him

Shoot her in her face with my kids, show her to the door

Bitch, I live by the gun, ducking pigs, I can never go

Semi-semi automatic, long dick, chop her to the floor

Shawtie dang, diamonds hit right by my lip, this a twenty piece
