Your opinion, you can keep it

I'm undefeated, I really don't need it

Undefeated, means I'm winnin', if we had a race, I'm the one who would lead it

I would lead it, to the finish

They tryna defeat me these motherfuckers cheatin'

If I'm breathin', I'll always be tuckin' a.40 and duckin' the demons (Bitch)

Christian Lou', polka dot socks

Came a long way from eating the pot pie

Now I pull up and cash out on Popeyes

W-w-wish I saw life through my pops' eyes

He was a real OG with mob ties

He even shot, stabbed and robbed guys

Participated in a lot of drive-bys
