Like Dat

Comethazine

I dabble and dip, I might smash on a bitch
And then smash in the whip on some maximum shit
I make two or three bitches come scrap for the dick 'cause I'm rich
Like dat, mhm, like dat
My gat got a switch, I got gat on my hip, I got matte on my whip
And your bitch got the tip of my dick on her lip
I just hit it one time and that's it
Like dat, mhm, like dat

My wrist cost a brick and my bitch got a bitch
I got fifty-five shots in this 5.56, it's an ultimate kick
Glick made 'em flip when it hit
Like dat, mhm, like dat
My lean come wit' seals, my plug come wit' deals
My bitch look like Sofia Richie wit' heels
I told her a lie to leave 'cause she wanted to chill
Like dat, mhm, like dat
My plug got the bud, my plug got the mud
My plug got the answer to all the above
I pulled out a twenty and fucked up a dub, because
Like dat, mhm, like dat
I'm smokin' on dank, I know that you ain't
You runnin' the streets while I run in the bank
I'm ballin' on niggas because I go hard in the paint
Like dat, mhm, like dat

I dabble and dip, I might smash on a bitch
And then smash in the whip on some maximum shit
I make two or three bitches come scrap for the dick 'cause I'm rich
Like dat, mhm, like dat
