Comethazine

Div, div, div, div  
I move like the lord

I move like the lord  
Niggas mad I live a lifestyle they can't afford  
I be skatin' in a foreign whip, you in a Ford  
She got fully naked when she seen the scissor doors

I was high as shit, I wish I could remember more (Damn)  
Mid-top white, customized air force  
I'm a real animal, you can find me in the forest  
Runnin' through the jungle with a condom and a sword  
Who outside my house? My pit barking at my door  
Ran out of condoms, now she walkin' to the store  
You a trick if you on OnlyFans buying porn (Bitch, bitch)  
Understand, I been the man since I was born  
SK not jammin' in this war (SK not jammin')  
SK not jammin' in this war (SK not jammin')

I move like the lord
