

# Malcolm In The Middle

Comethazine

In the middle of two bitches, feel like Malcolm (Uh-huh)  
Big shit talker, yeah that's you but this the outcome (This is it)  
Oh hoe, you ain't havin' fun, bitch how come?  
You said that you wanna be a star, you around one

Don't pop pills, tonight I might down one  
He ain't a lit nigga, get the f-f-fuck from 'round one  
They bustin' back so we d-d-duckin' down some  
I can't wait to catch a goofy lack, I'ma clown 'em  
Catch 'em lackin', slap 'em, and slap who around him  
Pull off that four-  
pounder, start clappin', wet 'em, and drown 'em

In the middle of two bitches, feel like Malcolm (Uh-huh)  
Big shit talker, yeah that's you but this the outcome (This is it)
