I roll my weed up on her buttocks  
Cotton candy Faygo, my favorite soda  
Pop out in Diego, with Sandy no Spongebob  
More ammo than gun shop  
I'm not a crip, I'm a permanent bloodclot  
I always leave my eyes permanent bloodshot  
There's a Glock to my hip, this a permanent glick  
Permanently got a bitch with a stick  
I roll my weed up on her buttocks

Hustlin' flow be the rapper like Skinny Black  
Black hoes tryna ride like a piggyback  
Got a XD but it's not the one Disney at  
Tryna where 2Pac and Biggie at  
I'm Hall of Fame, I'm where 2Pac and Biggie at  
Calabasas, I'm livin' where Diddy at  
Pull my dick out bust a out where her titty at  
Pull my stick out, bust a slug where his kidney at  
I like to bone so I keep me a jimmy at  
Footlong, like where John and Jimmy at  
Put the hood on like Trayvon Martin  
Phone home, E.T like Marshall  
Can't control me when I spark shit  
Might take 2 stops up when I'm parkin'  
And convertible whips I get fidgety  
Can't let 'em do me like John F. Kennedy
