Stand

Comethazine

Smoke my dope
Get face in my mansion
I'm so fuckin' T'd I'm in my livin' room dancin'
HD in my pocket and got the TEC in my hand
Walk 'round like that nigga so they hate when I stand
Smoke my dope
Get face in my mansion
I'm so fuckin' T'd I'm in my livin' room dancin'
HD in my pocket and got the TEC in my hand
Walk 'round like that nigga so they hate when I stand

Last encounter
First name Benjamin
We pull up on you, pew pew, committin' a sin
They can't stop me, nigga nobody can
Fuck a pistol, sock 'em dead in his chin
That boy tried to play me
Now he on his death bed
Paramedics pulled a slug out his head
That nigga know he shouldn't have fucked with my set
Initiate him, then pronounce him as dead

Smoke my dope
Get face in my mansion
I'm so fuckin' T'd I'm in my livin' room dancin'
HD in my pocket and got the TEC in my hand
Walk 'round like that nigga so they hate when I stand
Smoke my dope
Get face in my mansion
I'm so fuckin' T'd I'm in my livin' room dancin'
HD in my pocket and got the TEC in my hand
Walk 'round like that nigga so they hate when I stand
