

Stop That Shit

Comethazine

You ain't with the shits, shit, stop that shit
Glock with a dick, bih, I'm poppin' shit
I just poured a six of the tech, on some hot shit
I don't wanna fuck, give me neck, you's a thot bih

Water on my neck, cost a check, cost alot bih
New Jaguar, I just skurtded out the lot bih
I just got rich, iced up, drippin' bitch
New freezer my wrist, gelato my wood
Heard a pussy talkin' shit like nigga, what's good?
Got a 30 with a dick, keep it tucked away
Bad bitch, fat ass, sexy in the face
Wockhart with the choppa when I beat the case

You ain't with the shits, shit, stop that shit
Glock with a dick, bih, I'm poppin' shit
I just poured a six of the tech, on some hot shit
I don't wanna fuck, give me neck, you's a thot bih
You ain't with the shits, shit, stop that shit
Glock with a dick, bih, I'm poppin' shit
I just poured a six of the tech, on some hot shit
I don't wanna fuck, give me neck, you's a thot bih
