But I don't do features, I"m better than that
So I'ma just get his ass touched for a sack
Beat his ass up, got him out of the way
Then dipped to the spot, had to duck from the Jakes
They hit Micky Dees and then ordered some shakes
Ain't order no food, 'cause I don't eat there
You the type nigga tell a bitch meet there
You the type nigga who would eat the meat there
All on her face, had to skeet-skeet there
Leaving no trace, got a sweet sweet flare
All in the trap, feel like make me stare, haha

Get his ass touched in the hood for a cake
Get his ass touched in the hood for a rack
Get his ass touched in the hood for a stack
Get his ass touched in the hood for a track
Get his ass touched in the hood for a cake
Get his ass touched in the hood for a rack
Get his ass touched in the hood for a stack
Get his ass touched in the hood for a track
Get his ass touched in the hood for a cake
Get his ass touched in the hood for a rack
Get his ass touched in the hood for a stack
Get his ass touched in the hood for a track
Get his ass touched in the hood for a cake
Get his ass touched in the hood for a rack
Get his ass touched in the hood for a stack
Get his ass touched in the hood for a track
