

V12

Comethazine

Runnin' from the cops in my V12
Getting head with no seatbelt
Ooh, Demi Lovato my bitch
But I'm still out here fucking these females
Aye, I got two phones
But I don't text back bitch, hit my e-mail
Yuh, chopper with a dick, fuck nigga you a bitch
Get your ass like 3 shells
Runnin' from the cops in my V12
Getting head with no seatbelt
Ooh, Demi Lovato my bitch
But I'm still out here fucking these females
Aye, I got two phones
But I don't text back bitch, hit my e-mail
Yuh, chopper with a dick, fuck nigga you a bitch
Get your ass like 3 shells

Aye, diamonds on a nigga
Make me want to take a pic
I feel like [?]
Yuh, counting a lot of money
But it's still not enough
Bitch, I want to count more bread
Yeah, I fuck that bitch and then fuck on her sister
I went and got more head
Aye, I got a car on my neck
And my wrist is the price of a moped
Yeah, I fuck that bitch from the back
I put my hand on her forehead
Aye, that bitch gonna suck on my dick
Then imma nut on her forehead
Yeah, I do not fuck with no cops
No I do not fuck with no feds
Ooh, yeah bitch I'm the goat
At least that's what she said

Aye, runnin' from the cops in my V12
Getting head with no seatbelt
Ooh, Demi Lovato my bitch
But I'm still out here fucking these females
Aye, I got two phones
But I don't text back bitch, hit my e-mail
Yuh, chopper with a dick, fuck nigga you a bitch
Get your ass like 3 shells
Runnin' from the cops in my V12
