

18 Wheels

Commander Cody And His Lost Planet Airmen

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just keep on spinnin' 'round that Frisco Bay

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just keep on spinnin' 'round that Frisco Bay

Petaluma chickens, or sweet Sonoma grapes
It don't matter what I'm haulin', I got what it takes
Flatbeds, bobtails, vans, and dumps
When I say go, my rig just jumps
And my eighteen wheels just-a keep on spinnin' 'round that Frisco Bay

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just-a keep on spinnin' 'round that Frisco Bay

Yeah-ooh...

I'm pullin' twenty tons of wire
Rollin' like my tail's on fire
Can't seem to stop, Lord knows how I'm tryin'
I'm rumblin' down this-a big ole hill
I surely hope that I don't spill
'Cause I gotta keep these here wheels a-
spinnin' till the end of my workin' day

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just-a keep on spinnin' 'round that Frisco Bay

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just keep on spinnin' 'round that Frisco Bay

Eighteen wheels spinnin'
The race is on and I'm winnin'
Rumblin' down that road
Haulin' that heavy load
And my eighteen wheels just keep on spinnin' 'round that Frisco Bay
My eighteen wheels just keep on spinnin' 'round that Frisco Bay

Thank you
