

# I Keep Running

Commodores

You got me wondering what to do  
I can't believe it but it's true  
I never fell in love again  
Tonight I feel that I would fall in love with you

I keep running, I keep hiding  
I keep wondering, got to get away from you  
I keep running, I keep hiding  
I keep wondering, got to get away from you

I don't want to be depending on  
And I never needed anyone  
I'm not the kind of guy to share  
My life and dreams but you  
Should make it seem like fun

I keep running, I keep hiding  
I keep wondering, got to get away from you  
I keep running, I keep hiding  
I keep wondering, got to get away from you  
I keep running (running) I keep hiding (oh hiding)  
I keep wondering, got to get away from you  
I keep running (just keep me running) I keep hiding (oh yes)  
I keep wondering, got to get away from you

I keep running (keep running)  
I keep hiding (and hiding)  
I keep wondering, got to get away from you  
I keep running (keep running)  
I keep hiding (and hiding)  
I keep wondering, girl, I don't know what to do  
You got me running  
You got me hiding (hiding)  
You got me wondering, got to get away from you  
You got me running (uh huh)  
You got me hiding (oh yeah)  
You got me wondering, what am I supposed to do?  
I keep running, I keep hiding  
I keep wondering, got to get away from you  
I keep running, I keep hiding  
I keep wondering, girl, I don't know what to do  
You got me running, you got me hiding  
You got me wondering, got to get away from you  
You got me running, you got me hiding  
You got me wondering, what am I supposed to do?
