Still

Commodores

Lady, morning's just a moment away And I'm without you once again You laughed at me You said you never needed me I wonder if you need me now

So many dreams that flew away So many words we didn't say Two people lost in a storm Where did we go? Where'd we go?

We lost what we both had found You know we let each other down But then most of all I do love you Still!

We played the games that people play
We made our mistakes along the way
Somehow I know deep in my heart
You needed me
'cause I needed you so desperatly!
We were too blind to see
But then most of all
I do love you
Still!
