

# Turn Off The Lights

Commodores

Turn off the lights tonight  
Make me feel for now, everything is alright  
Turn off the lights tonight  
Let me lay here in your arms

Turn off the lights tonight  
Make me feel for now, everything is alright  
Turn off the lights tonight  
Let me lay here in your arms

Where is the love that made us strong  
Where is the feeling we've been on  
What did I do that made everything go wrong  
Let me stay until the dawn, hey

Turn off the lights tonight  
Make me feel for now, everything is alright  
Turn off the lights tonight  
Let me lay here in your arms

One more night of fantasy  
Make believe we're what we used to be  
Let me pretend that you are in love with me  
Whisper softly these words to me

Turn off the lights tonight  
Make me feel for now, everything is alright  
Turn off the lights tonight  
Let me lay here in your arms

Turn off the lights tonight (turn off the lights now)  
Make me feel for now, everything is alright  
Turn off the lights tonight (turn off the lights now)  
Let me lay here in your arms (yeah)

Turn off the lights tonight (turn off the lights now)  
Make me feel for now, everything is alright (-thing is alright)  
Turn off the lights tonight (hey)  
Let me lay here in your arms (yeah)

(Yeah) turn off the lights tonight  
Make me feel for now, everything is alright (ah)  
Turn off the lights tonight (turn off the lights now)  
Let me lay here in your arms (yeah)

Turn off the lights tonight (la, da-da, da-da, da-da, da-da)  
Make me feel for now, everything is alright (hey)  
Turn off the lights tonight  
Let me lay here in your arms (yeah)

Turn off the lights tonight (you're my kind of lady)  
Make me feel for now, everything is alright (never, never, never, never leave you baby)  
Turn off the lights tonight  
Let me lay here in your arms

Turn off the lights tonight (hey now)

Let me feel
