

7 PLY

Common Enemy

I remember my childhood...back in the day
Skating ramps and listening to J.F.A.

[Chorus]
7 Plys of Aggression
Teenage Rebellion

I didn't care about growing up or going to school
All I wanted to do was bomb a hill or skate a pool

[Chorus]

I look back on me and my friends and the fun we had
No cares in the world, just me and my board...I want it back

[Chorus]

Everyone around me says stop being a kid, it's time to grow up
I say f**k that, I skate to live, I'll never stop
