

## Celebration (One Shot)

Common Kings

Can we take a shot 1 shot  
It's a celebration yeah  
If we take another shot 2 shots  
Now that's a combination yeah  
Now we on one  
Until the liquor gets the best of me  
Drinks up... cheers to the memories  
Can we take a shot 1 shot  
It's a celebration, yeah celebration

Yeah we been runnin' ain't no need to slow  
Down It's 25/8 and I'm like woah now  
Hit it hard ways we on a roll now  
Were faded in the early morning yeah yeah  
Maybe I'll find someone to rub my shoulders  
Maybe this tequila ah feel like Folgers  
Let me see them bottles up  
For the soldiers  
Make sure that paper raw  
When ya roll up

Let's make a night with friends we won't forget  
Let's make a few decisions we'll regret  
Every sip you take disconnect  
Don't hold your breath

Can we take a shot 1 shot  
It's a celebration yeah  
If we take another shot 2 shots  
Now that's a combination yeah  
Now we on one  
Until the liquor gets the best of me  
Drinks up... cheers to the memories  
Can we take a shot 1 shot  
It's a celebration, yeah celebration

Yeah We gon light it up  
Like a Holiday  
1942  
Only way to celebrate  
I'm with the family  
It's just another day  
Flying with the crew  
Running' till we elevate  
Send you my location at the lay low  
Don't need no candles but I'll take some cake tho yeah  
Order what you want booked all the tables  
Flippin through Creem with the label

Might wake up with a new tattoo  
On my left peck  
Might wake up in a new continent  
Cuz we jet set  
Bail me out if I go too hard and get arrested  
If it's domestic

Can we take a shot 1 shot

It's a celebration yeah  
If we take another shot 2 shots  
Now that's a combination yeah  
Now we on one  
Until the liquor gets the best of me
