

City of Champions

Common Kings

Sherbet skies over Melrose
Traffic lights on sunset
Yellow tail out in Malibu
Purple Heart Emojis

That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles

Ain't nobody seen a season here
It's spring and fall and like all year
What would Hollywood be without them hills
Ooh stars on the street let you know they been here

That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles

Shorts in the day
Need a jacket at night
Oh Wilshire Blvd not a jacker in sight
Once you get here
You don't ever wanna leave
Don't matter where ya from
Catch a non stop flight
To Los Angeles

Ooh
City of champions
City of champs
That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles

Beauty outweighs the smog
Smell it in the air
Everyone the underdog
Trying to make it there

That's Los Angeles
Ooh
City of champions
City of champs

That's Los Angeles
Ooh
City of champions
City of champs
That's Los Angeles
