

Do My Thing

Common Kings

Whoa yo!

Well easy Ragamuffin yeah we rippin' up the block
Gwan put in the work
Cuz we stay headed to the top
Every day we hustlin'
No neva need to talk Gwan put in the work
And no we neva gonna stop
Day and night we work a shift
Wish and hope but you won't find it
Unless you possess the mind of it
Ay! No bad man got time for this

Whoa!

Long live da kings yeah we neva falling off
Building up an empire that never can be bought
Started from the bottom
Yeah we soldiers from the rock
Can always bet on us cuz we stay workin' round the clock
We pray Jah bless our urgency
Then trade our time as currency
The greed cannot be remedied
Ay, this is a state of emergency

Whoa!

Now give me the rose while I'm here
Give me the crown I am here
To the throne
This ah my zone
In my home pioneer
Evil sees
Needed for seed
Read it and weep
Cry a tear
Spit fire all inna corona
Try a beer
Common Kings and Royal
It'll burn for gwan
Spanish town it'll turn fi burn
All it inna feel soloma farm
Grass full of snakes
We're mowing the lawn
If ya pass in ya place
We'll sound the alarm
California to Yard
No Corona No fraud
When ya playing my music
Yeah we sounding for large
Yeah we run fa dem
Watch out fa dem
You know when dem staff
Take off when it blast
Give me the crown and get lost
