

Oooooouhh

Your love is like ecstasy  
It makes me feel so free  
I wake up every morning  
Can't wait to see you again  
You got me fiening for you girl  
Now I'm on top of the world  
You're taking me high  
On cloud 9 and flying

And every time I close my eyes  
I just want to hold you  
Yeah  
And every time I say goodbye  
I don't wanna let you go  
You make me wanna fly so high, so high baby  
And every time I dream you're mine, you're mine baby

I miss how you laugh and smile  
Your voice lingers in my mind  
I call every hour just to hear it again, and again  
I still smell your perfume on me  
Reaching for a distant memory  
I pick up the frame it ain't the same in the end

And every time I close my eyes  
I just wanna hold you  
And every time I say good bye  
I don't wanna let you go  
You make me wanna fly so high so high baby  
Every time I dream you're mine, you're mine  
You make me wanna fly so high so high baby  
Every time I dream you're mine you're mine baby  
You make me wanna fly so high so high high baby
