

Yeah man.

Spacin out of class, I knew it wouldn't last,
I'm so over this damn day.
Want to quit my job cause I hate my fuckin boss,
I know it's five o'clock someplace.
Yeah, someday, when I'm a little sober,
I think of all the things that I'ma be when I get older.
But now I do what I want.
And if you think I care, I'm tellin you..

I don't give a fuck anymore (I don't give a fuck).
How could I care that much about it, girl? (I just don't give a fuck.)
I'm not begging for your love, throw my deuces up,
cause I don't give a fuck anymore, no.

Rollin out of bed and weavin, askin for my head
when my girl wakes up and says, "I'm into chicks now (yes),
I'm leavin you for your ex." (Oh, what? Can I watch? No. Bitch.
)
Speedin down the road, bumpin Justin Bieber, laughing to myself

cause I really didn't need her (singing baby, baby).
I do what I want, and if you think I care, I'm tellin you..

I don't give a fuck anymore (I don't give a fuck).
How could I care that much about it, girl? (I just don't give a fuck.)
I'm not begging for your love, so I throw my deuces up,
cause I don't give a fuck anymore, no.

I don't give a fuck anymore (I don't give a fuck).
How could I care that much about it, girl? (I just don't give a fuck.)
I'm not begging for your love, so I throw that finger up,
cause I don't give a fuck anymore, no.

I don't give a fuck, I don't give a fuck. [x4]

Hahaha, bitch.
