

# Neil Armstrong

## Common Kings

I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone

Need to fly outer space for that peace of mind  
Blast off to my comfort zone  
Gotta get off grid from the satellite  
Take a flight and I'm coming home

This goes out to the rebels  
Eyes bloodshot like the devil  
The ones from the beach to the ghettos  
Yeah-yeah-yeah, whoa-oh

I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone  
I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone  
Yeah-eah

[?] speed of light  
Slow it down and let it ride  
Take away all the pain, blow it up in the sky  
No more stress on the other side

This goes out to the rebels  
Eyes bloodshot like the devil  
The ones from the beach to the ghettos  
Yeah-yeah-yeah, whoa-oh

I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone  
I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone  
Yeah-eah

"Jahlibyrd, Jahlibyrd, this is Junior AOS over"  
"Copy that, Junior. Looks like all things are clear on our end"  
"Roger that. Stand by for lift-off"  
"Junior, all systems go; put your tray tables up; prepare for liftoff"

I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire  
I'll blaze till I'm gone  
I wanna get higher, higher  
Than Niel Armstrong  
Pass me the fire, fire

I'll blaze till I'm gone  
Yeah-eah

"That's one small step for a man, one giant leap for mankind"

This goes out to the rebels  
Eyes bloodshot like the devil  
The ones from the beach to the ghettos
