

# One Day

## Common Kings

Hey yo!

One day when I have a lot of money  
Imma be the king again sippin' on that Jameson  
Party it don't ever end, you gon' wanna bring your friend  
Whooooa na na na na na  
Whooooa na na na na na  
Whooooa na na na na na  
Whooooa

Light the spliff take a rip  
We gon' dance till the morning come  
Light the spliff take a rip  
We gon' dance till the morning come  
Said I'm ready, I'm ready got my income coming steady  
My pockets are full, my bag is feeling heavy  
When I get my dough, my paper, my fetty  
Imma burn through the money like the tires on a Chevy  
You know I strike while the irons hot  
Earned everything I have got  
Gotta buy a big house in a private spot  
Make it rain like a tropical storm  
Top of my game you don't wanna bring on a war

One day when I have a lot of money  
Imma be the king again sippin' on that Jameson  
Party it don't ever end, you gon' wanna bring your friend  
Whooooa na na na na na  
Whooooa na na na na na  
Whooooa na na na na na  
Whooooa

Splish splash jacuzzi full of cash  
Tub full of bub bet you've never seen that  
All we full of sinse  
My life's a green light gas pedal all day

I win win win  
I win win win  
I win win win all day  
I win win win  
I win win win  
I win win win all day  
I win win win  
I win win win
