

# Queen Majesty

## Common Kings

Queen majesty, may I speak to thee?  
So much, I've long (I've long)  
To speak, to you alone  
Truly I agree, I'm not of your society  
I'm not a king just a minstrel  
But my song to you I sing

Tho, just a minstrel  
Our worlds are so far apart  
Royal queen, I see love in your eyes  
Your eyes, I love you too

Is it really true  
These things I ask of you  
Oh, your majesty, could you really care for me?

Tho, just a minstrel  
Our worlds are so far apart  
Royal queen, I see love in your eyes  
Your eyes, I love you too

No need for worry I'm a stranger in your town  
Ya affi scream it out caress me down  
Me I ya collie buddz imma come around  
Without ya Matis I'm a king without a crown  
No Utter  
Night nurse I ya doctor  
Affi Wade in ya Water  
Your my lifetime partner  
Me ah go do you proper  
No I'm not an imposter  
This no fantasy No  
Your my queen Majesty yeah!

Tho, just a minstrel  
Our worlds are so far apart  
Royal queen, I see love in your eyes  
Your eyes.

So pretty and fine  
Every night and day  
Ya body stay pon my mind  
More than one in a million  
Cause your one of a kind  
I will keep you in front and never leave you behind  
Royal Queen Royal Queen  
I love you so  
Never ever ever gonna let you go

Tho, just a minstrel  
Our worlds are so far apart  
Royal queen, I see love in your eyes  
Your eyes, I love you too
