We bangin in the sheets  
Bangin pon the floor  
Way yah moving them hips in a slow motion  
Making love so long we change up the trojan

I said Not a soul tonight  
Believe a bad man nah make ya feel right  
Not a soul tonight  
Would leave the woman of their dreams on the side

Be the one that she needs Raggamuffin  
Be the air that she breaths Raggamuffin  
Take her higher than the sky Raggamuffin  
Raggamuffin Raggamuffin Yeah
