

# Imagine

Common

I been dreaming of a paradise  
Somewhere a little Paris-like where I wanna be  
Let's travel to the greener side  
A lovely place inside my mind, don't you want to see?

Imagine layers in a game where we all players  
No more stargazing or police car chasing  
Imagine life that bring us Lauryn Hill-type of singers  
Even the righteous schemers still let Christ redeem us  
Life is greener on this side, the beauty that we see  
Be coming from inside, imagine if  
You a God and she a goddess  
My people get free, locked up from weed charges  
We no longer targets or bodies on the market  
Clean water coming out of Flint faucets, it's awesome  
Not being petty, but got petty cash  
Everything on the path we already have  
Imagine having a woman like Betty Shabazz  
Steady with class, ready to blast 'til the chariots pass  
To take me to my new destination  
I think in miracles, it's my imagination

I been dreaming of a paradise  
Somewhere a little Paris-like where I wanna be  
Let's travel to the greener side  
A lovely place inside my mind, don't you want to see?

Imagine days divine, no longer in a race with time  
Every day we wake up is a day to shine  
Imagine you could turn water to your favorite wine  
And when you taking down your girl, you can take your time  
Imagine loving you enough, you don't need a like  
Kids' fathers in their life just to lead them right  
No longer worried 'bout sickness 'cause we eating right  
Amanda Gorman poems mantras that we recite  
Imagine not being politically correct, but  
Spiritually direct, still giving the respect  
Imagine if you could change the world through song  
No longer do we have to pay back school loans  
Imagine in the hood doin' our own renovations  
Another way to keep the dollars circulatin'  
Mountain tops of patience just to heal a nation  
Since I was little, I had a big imagination

I been dreaming of a paradise  
Somewhere a little Paris-like where I wanna be  
Let's travel to the greener side  
A lovely place inside my mind, don't you want to see?

Good times without no care  
Won't you let me take you there?  
Don't you want to come with me?  
Don't you want to come and see?  
Good times without no care  
Won't you let me take you there?  
Don't you want to come with me?
