

# Jimi Was a Rock Star

Common

Everyone hides their face, sets behind a mask they wear  
Jimi was a rock star searching for that magic place  
That he could touch in the sky just to get his people high

Oh, oh, oh, oh  
(Jack)  
Oh, oh, oh, oh, oh  
(Jack)

Oh, oh, oh, oh  
(Jack)  
Oh, oh, oh, oh, oh  
(Jack)

Life is so, colorful reds, blues and dreams  
Jimi lives in a purple haze, in a psychedelic maze  
Playing the streets like an instrument  
Pulling strings wherever he went  
Angel sent from the sky just to get his people high

Oh, oh, oh, oh  
(Jack)  
Oh, oh, oh, oh, oh  
(Jack)

Oh, oh, oh, oh  
(Jack)  
Oh, oh, oh, oh, oh  
(Jack)

Women all around  
(Eh, da, da, da, da)  
Fast cars and sound  
(Eh, da, da, da, da)  
And freedom he was bound  
(Ehh, da, da, da, da)  
Couldn't see the ground  
(Eh, da, da, da, da)

Jimi come out why don't you set me free?  
(Set me free)

So high born to fly  
Getting high off his own supply  
Everybody follows the same Lord  
Using his light to guide the way  
Try things but few die so young  
Something among Jimi was stung

Everyone hides their face  
Sets behind a mask they wear

Jimi come out, why don't you set me free?  
Jimi come out, why don't you set me free?  
Jimi come out, why don't you set me free?
