But God don't ever give me nothin I cant handle  
So please don't ever give me records I cant sample  
So I could vacate where it aint no channels  
but it's quite ok for a gangsta to wear sandals  
They say because of the fame and stardom  
I'm somewhere in between the church and insane asylum  
I guess it's messin with my health then  
And this verse so crazy when I finish  
I'm just gon check myself in - again
