

# Killing Me

Conan Gray

It's 2 a.m.  
Hear the cellular ringin'  
Got the curious feeling you're fiendin'  
For love, but the thing is  
We haven't spoken for weeks  
I love you bad  
That's the problem occurrin'  
Better love I deserve, and I'm hurtin'  
But sadly, I worship  
Every moment we meet

So you take and you take 'cause you know you can  
And I chase as you're chasin' another man  
Try to break, see your face and I know that I can't

Oh  
You're killing me  
You're not makin' it easy  
Too busy deceivin' and cheatin'  
And lyin' and competin'  
To know how lucky you are  
You're killing me  
I just want you to free me  
And though I am cryin' and bleedin'  
And barely breathin'  
I can't let go of your heart

I take your call  
You say, "What's the matter?"  
Then you lie to me faster and faster  
You're such a good actor  
I hear your car in the driveway

Now you're tossin' a rock at my windowpane  
Said, "I don't wanna talk, just go away"  
But you claw at the locks 'til I let you invade

Oh  
You're killing me  
You're not makin' it easy  
Too busy deceivin' and cheatin'  
And lyin' and competin'  
To know how lucky you are  
You're killing me  
I just want you to free me  
And though I am cryin' and bleedin'  
And barely breathin'  
I can't let go of your heart

I wanna die but you keep me alive  
You're killing me  
You're killing me  
I wanna die but you keep me alive  
You're killing me  
You're killing me  
I wanna die but you keep me alive  
You're killing me

You're killing me  
Fight to survive, oh, love of my life  
You're killing me

Oh  
You're killing me  
You're not makin' it easy  
Too busy deceivin' and cheatin'  
And lyin' and competin'  
To know how lucky you are  
You're killing me  
I just want you to free me  
And though I am cryin' and bleedin'  
And barely breathin'  
I can't let go of your heart

I wanna die but you keep me alive  
You're killing me  
You're killing me  
I wanna die but you keep me alive  
No, I can't let go of your heart  
You're killing me
