

# Romeo

Conan Gray

I was out waiting for you  
But now you've gotta wait for me  
I was out praying for you  
That's why my friends pray for me  
Even on my worst day, I was never treating you  
The selfish way that you treated me  
Even in my worst pain, I was never dragging you around  
So you'll carry my shame for free

You don't wanna know all I did  
I drank your poison from your lips  
I took that blade into my ribs  
You took away my will to live  
Fuck!

So I hope you know  
I'm never gonna want you back  
You put me in a grave of stone  
But now it only makes me laugh  
Spending my summer in love  
Then I went and got dumped  
So I did it all, damn, for what?  
You're no Romeo (You're no Romeo)  
You're no Romeo (You're no Romeo)

Never liked sitting around your egoist actor friends  
Sick  
Never liked kissing your mouth with cigarettes on your breath  
Looking back, I don't know why I got so up in arms  
'Bout losing you by my side  
Looking back, I wish I listened to my friends who said  
I could get a much better guy

I don't wanna know what you did  
With all the girls you swapped me with  
Your drunken mouth all on her lips  
Guess I was just your experiment  
Fuck!

So I hope you know  
I'm never gonna want you back  
You put me in a grave of stone  
But now it only makes me laugh  
Spending my summer in love  
Then I went and got dumped  
So I did it all, damn, for what?  
You're no Romeo (You're no Romeo)  
You're no Romeo (You're no Romeo)

Where art thou?  
I'm all alone now  
Where art thou?  
I'm back in your hometown  
Where art thou?  
Fuck if I care now  
You've gotta figure out your shit  
With someone else, man, I can't fix you

So I hope you know  
I'm never gonna want you back  
You put me in a grave of stone  
But now it only makes me laugh  
Spending my summer in love  
Then I went and got dumped  
So I did it all, damn, for what?  
You're no Romeo (You're no Romeo)  
No!  
You're no Romeo (You're no Romeo)

You're no Romeo (You're no Romeo)  
You're no Romeo (You're no Romeo)
