Saw u outside the club  
Lookin all petty, lookin all petty  
Saw u outside the club  
Bustin a split, throwin it like confetti

It's the way your body wanna say "bitch i'm me"  
It's the way your body wanna say something to me  
It's the way your body wanna say "bitch i'm me"  
It's the way your body wanna say something to me

It's the way your body wanna say something.

La manera que me ha dicho a mi "ay papi"

Yo le he dicho a la sirena no llores, no llores,  
La quinoa ya se cuenta outra vez,  
Mamita.
