Conchita Wurst

If you need
If you need, need a one day lover
Need a one day lover, need a one day lover
Just call 7-6-5-4-3-2-1
One day lover

'Cause the love
Love that I gave you
Yeah, the love
Love that I gave you
Is sweeter than anything else
In this world

Sweeter than anything else
Than anything else in this world

Sweeter
Sweet

I'm a love machine in town
The best you can get
Fifty miles around
I'm a love machine in town, hey
The best you can get
Best you can get

I'm a love machine in town
The best you can get
Fifty miles around
I'm a love machine in town
The best you can get
Fifty miles around

I'm a love machine in town
The best you can get
