

The Other Side of Me

Conchita Wurst

Tonight I'm gonna go where I wanna
Say what I wanna
Be who I want to

Tonight you're gonna see for
the first time
See what I'm made of,
hear what I have to say

Don't want you to let go of me,
but try to see the other side of me
I'm moving in a different way
But I still need you here

Tonight you're gonna
see like a star I'm shining
I'm right where I belong
But I'm scared to my bones
Don't blame me, just hold me

Guess you know you have to
set me free
I just hope you never leave me
Oh I just wanted you to see
The other side of me

And all the days
I tried to stop me from thinking
Keep me from getting closer to knowing
I guess I wasn't all that easy to cope with

Open to talk to
funny to be around
Don't want you to let go of me

But try to see the other side of me
I'm moving in a different way
But I still need you here

Tonight you're gonna see like
a star I'm shining
I'm right where I belong
But I'm scared to my bones
Don't blame me, just hold me

Guess you know you have
to set me free
I just hope you never leave me
Oh I just wanted you to know
The other side of me

The other side of me

I'm gonna show you
what I'm made of
You're gonna see where
I'm coming from

I'm gonna say what I wanna
Do what I wanna
Be who I wanna be

Tonight you're gonna see
like a star I'm shining

I'm right where I belong
But I'm scared to my bones
Don't blame me
Just hold me

Guess you know you have
to set me free
I just hope you never leave me
Oh I just wanted you to see

The other side of me

Tonight I'm gonna go
where I wanna
Say what I wanna
Be who I want to
