

## Probably Will

Concrete Blonde

They say I may be crazy  
I only say I've had my fill  
They say I'll throw it all away  
I probably will

They'll only give you what you're takin'  
But lately I've been unfulfilled  
They say I'll probably blow it off someday  
I probably will

The way they talk about each other  
The way they talk about themselves  
Well, they could talk, talk, talk forever  
And they probably will

You know they probably will  
Now I'm not really bitter  
You know I'm just a little chilled  
They say that things can just get better  
And they probably will

And they will only make us stronger  
If they should try to keep us still  
And we could rise and take it all someday  
We probably will

The way they talk about each other  
The way you talk about yourselves  
Well, you can talk, talk, talk forever  
And you probably will  
You know you probably will
