## **Probably Will**

## **Concrete Blonde**

They say I may be crazy I only say I've had my fill They say I'll throw it all away I probably will

They'll only give you what you're takin' But lately I've been unfulfilled They say I'll probably blow it off someday I probably will

The way they talk about each other The way they talk about themselves Well, they could talk, talk, talk forever And they probably will

You know they probably will Now I'm not really bitter You know I'm just a little chilled They say that things can just get better And they probably will

And they will only make us stronger If they should try to keep us still And we could rise and take it all someday We probably will

The way they talk about each other The way you talk about yourselves Well, you can talk, talk, talk forever And you probably will You know you probably will
