

## (You're the Only One) Can Make Me Cry

Concrete Blonde

Lots of guys can make me laugh  
And show me some good time  
Treat me nice and want me by their side  
Lots of people call themselves my friends  
And that's alright  
But you're the only one I let inside

You're the only one who leaves me warm and satisfied  
And you're the only one who takes me wrong and makes me right  
Oh, and if you took your love away  
You'd leave me high and dry  
Cause baby, you're the only one can make me cry

Now lots of people talking at me  
Tell me what is right  
And lately I just don't know what to do  
Ah, the only thing that matters is  
If you're with me at night  
Everything's all right when I'm with you

You're the only one who leaves me warm and satisfied  
And you're the only one who takes me wrong and makes me right  
Oh, and if you took your love away  
You'd leave me high and dry  
Baby, you're the only one can make me cry  
You're the only one can make me cry.
