

We will never fade and die  
whatever you try to do  
We're the first of today and  
the last of tomorrow  
Skinhead's not a fashion  
it's a way of life

[ Chorus ]  
Skinhead, Skinhead never give up  
stick together and act as one  
You never, never, never give up,  
You stick together and act as one

You see us on the telly  
You read about us in the news  
We will never fade and die  
Whatever you try to do

You see us on the telly  
You read about us in the news  
We will never fade and die  
Whatever you try to do

[ Chorus x2 ]

Skinhead!
