

## Keep on Rockin'

### Confederate Railroad

Well it's just another mornin' at the Shady Rest  
Home for the aged and the convalesced  
Let's take a little stroll down the wild west wing  
And see what's a happening

Now Harry's in the first room down the hall  
But he ain't a poppin' pills sipping Geritol  
I ask him what the secret is of '93  
He says a double dose of Bassy and a Ella Fitz G

Keep on, keep on a rockin'  
Keep on a rockin' till you're dead and gone  
Clock on the wall gets a tick tock  
And put the boogie woogie woogie as your antidote  
You gotta keep on a rockin' or you'll turn to stone

Now Darla is a diva in the 102  
Singing show stoppers and dancing with a broom  
Her boyfriend Floyd is quite the catch  
Cause he can play his dentures like castanets

Now Wanda's in a walker and she's on the move  
A pink house coat and a blue suede shoes  
Rosie is her roomie and she's frail and brave  
As she can skeedle oopa deedle dweedle deedle all day

Keep on, keep on a rockin'  
Keep on a rockin' till you're dead and gone  
Clock on the wall gets a tock tick tock  
And put the boogie woogie woogie as your antidote  
You gotta keep on a rockin' or you'll turn to stone

Every now and then when the Moon is full  
A walkin' cane stuck in the door handle  
The doctors and the nurses just look the other way  
As the whole place starts to shake

They take the microphone where they play Bingo  
Shove it in the speaker of a stereo  
The saxophone shrieks and the bass drum pounds  
But they never never never never never turn it down

You gotta keep on, keep on a rockin'  
Keep on a rockin' till you're dead and gone  
Clock on the wall gets a tock tick tock  
And put the boogie woogie woogie as your antidote  
You gotta keep on a rockin' or you'll turn to stone

Keep on, keep on a rockin'  
Keep on a rockin' till you're dead and gone  
Clock on the wall gets a tock tick tock  
And put the boogie woogie woogie as your antidote  
You gotta keep on a rockin' or you'll turn to stone
