

Freak Like Me

Confetti

Do you like what you see?
A freak like me
Do you like what you see?

I'll take the blame for all the shame that you dish out
There's not enough soup to wash the fifth that haunts my mouth
Don't need any extra attention
If I were you I'd keep my distance
I'm no hero, I'm no idol
There's no verse you'll find in the bible

But I need saving
Or so that say it
So while I pray on prayers and judgement stairs
I can't help it but I'm wonderin'

Do you like what you see?
(Do you like what you see?)
A freak like me
(A freak like me)
An escape from all reality and dreams
Do you like what you see?
(Do you like what you see?)
The fantasy
(The fantasy)
In this world you only hope to be so free
Ya

I don't make the effort
It's just like my zepher
Get you in the chess while I'm playing checkers
Peeling back the layer
You see the tear
Show you them peaches 'cause nothing compares

And maybe I'm a little too blunt
But I'm getting tired to give two fucks
Maybe I'm a little too drunk
But shit I gotta give people what they want

Do you like what you see?
(Do you like what you see?)
A freak like me
(A freak like me)
An escape from all reality and dreams
Do you like what you see?
(Do you like what you see?)
The fantasy
(The fantasy)
In this world you only hope to be so free
Freak like me

Freak like me
Freak like me
Freak like me
Freak like me
Every day I just

Everyday is like
Every look is like
Make you wanna be them
Do ya?

Do you like what you see?
(Do you like what you see?)
A freak like me
(A freak like me)
An escape from all reality and dreams
Do you like what you see?
(Do you like what you see?)
The fantasy
(The fantasy)
In this world you only hope to be so free

A freak like me
Like me
A freak like me
