

Ghost

Confetti

La la la la, la la la la, la la, la la

Look, I don't want to fight you
You got to know that I meant it when I said that I liked you
Or maybe just the idea
I bought it, don't want it, now return that shit like IKEA
Apologize, I'm not a mind reader
I need attention, so I try to be a crowd-pleaser
It was easy till it got a little deeper
Now I don't know how to deal with you so I'ma disappear (Poof)

I'm a ghost
Now you see me, now you don't
I'm a ghost
Every time you hit the phone
I'm a ghost
(La la la la, la la la la, la la, la la)
Now you see me, now you don't
(Now you see me, now you don't)
(La la la la, la la la la, la la, la la)

I know it's inconvenient
To change your background, but let's back down
So you can see this is a problem I don't wanna put myself in front of
That's why I blocked you 'cause I'm not the guy you should rely on
Or spy on, creep on, I don't know
You just ain't that type of hoe
If I don't holler, let me go
I should have said it but I didn't and I won't (Poof)

I'm a ghost
Now you see me, now you don't
I'm a ghost
Every time you hit the phone
I'm a ghost
(La la la la, la la la la, la la, la la)
Now you see me, now you don't
(La la la la, la la la la, la la, la la)

I know you hate me, hate me, hate me, hate me, hate me
'Cause I been shady, shady, shady, shady, shady
I don't get reception
Missed your call but best believe I got the message

Why don't you just leave me alone?
I think it's lasted way too long
I thought by now that you would know
But since you don't

I'm a ghost
Now you see me, now you don't
I'm a ghost
Every time you hit the phone
I'm a ghost
(La la la la, la la la la, la la, la la)
Now you see me now you don't
(La la la la, la la la la, la la, la la)
