Confetti

When I was born my Mother told me
That I was destined for greatness
I said "Ma how is that possible?
All the humans at school pick on me, they call me loser"
I said "I don't wanna be a loser I don't wanna hang out with the humans"
"I don't care what they call you I'm your mother and I think I know what's best for you"

Yes you do
That's my Ma
"Don't you ever think of your Mother, your Father"
Ma what is that outside I hear fireworks?
She said "No it's confetti son 'cause the day you were born was
the day the circus was born
Thanks Ma
