

If I'm so alive.
Then why is a lifeless snake around my neck.
Gonna strike my bones to make me weak.
Wake up and speak.
Tell me what to believe.
I'm lost in speech.
I cannot breathe.
I must be falling deep! Falling deep!
I'm paniking! I'm paniking!
I'm not in my scheme.
But I won't let this bring me down.
They want to see me fall down.

I cannot be ignored.
Don't think! Don't breathe without me!
I cannot be alone.
Just say you'll never leave me!

Do you know the things I've done.
If you did would you still call me son.
Do you see the things I see.
The devils around my neck.
Becoming apart of me.
Its setting in.
Its getting deeper and deeper.
What's happening! What happening!
I'm paniking! I'm paniking!
I'm not in my scheme.
But I won't let this bring me down.
They want to see me fall down.

I cannot be ignored.
Don't think! Don't breathe without me!
I cannot be alone.
Just say you'll never leave me.

I cannot be ignored
Don't think! Don't breathe without me!
I cannot be alone.

I don't mind if you take my time.
Hold me now.
I'm sorry.
I need you.

I cannot be ignored.
Don't think! Don't breathe without me!
I cannot be alone.
Just say you'll never leave me!
