# Boyfriend (Repeat)

**Confidence Man**

My boyfriend wants to talk
My boyfriend talks too much
Too much about our love
Our love is not enough

My boyfriend wants to talk
(You know I really think that we've got to go over a couple things today)
My boyfriend talks too much
(You know I'm ju... - are you listening, are you listening to me?)
Too much about our love
(You know I just love you so much)
Our love is not enough
(What do you mean?)

He's just a (Repeat)
Of what I had before he's just a (Repeat)
It's a simple fact (Repeat)
Of what I had before he's just a (Repeat)
Uh-huh

Every day's the same I wake up he's in my bed
(Uh-hu good morning sunshine)
He tries to make me breakfast, but I hate bacon and eggs
(What do you mean I thought you loved these?)
He says I make him nervous, but he only makes me bored
(You know if you really just got to know me, I mean you'd realize I'm not so boring)
All the pretty things I want, he just can't afford
(Oh you know I've been working really hard I'm just about to get that, just give me two more weeks)

My friends all think he's nice
My friends all think he's great
But they don't have a clue
That he won't reciprocate
Uh-ha
(What are you talking about?)

He's just a (Repeat)
Of what I had before he's just a (Repeat)
It's a simple fact (Repeat)
Of what I had before he's just a (Repeat)
