

Bubblegum

Confidence Man

I wish I had a boy that talks so sweet
I wish I had a boy to let my parents meet
I wish I had a cotton candy beat
I wish I had a room with an ensuite

I wish
I had
I wish
I had some
Bubblegum

I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Say it again now
Bubblegum
I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Alright

I wish I had someone to string along
I wish I had someone to rub my body on
I wish I had somewhere to dance all night long
I wish I had someone to rub my body on

I wish (I wish I had some)
I had (I wish I had some)
I wish (I wish I had some)
I had some
Bubblegum

I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Say it again now
Bubblegum
I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Everybody now

Whoo
Yeah
Ah
Huh
Okay
(A-bum a-bum a-bum)
That's right
Now clap your hands

Now wrap it 'round your finger and stick it to the seat
All the boys are freaking on my cotton candy beat

I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Say it again now
Bubblegum
I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
Alright

(I wish I had some)
I wish I had some bubblegum, bubblegum, bubblegum, bubblegum
(I wish I had some)
Say it again now
I wish

(I wish I had some)
I wish I had some bubblegum
(I had some)
