First Class Bitch

Confidence Man

Are you talking to me?

I want it all, all that you got, all at the same time
I've got the looks, I've got the brains, I'm in the spotlight
Straight from Milan down to Japan just for some sushi
I'm drinking tea, yeah, with the Queen in her jacuzzi
Yeah, I'm the best and all my friends are so successful
I told you once, I told you twice but you're forgetful
I told you once, I told you
I told you once, I told you
I told you once, I told you
Everybody get in line

Baby, I'm a first class bitch (First class)
Baby, I'm a first class bitch
Baby, I'm a first class bitch (First class)
And I know you love it
Baby, I'm a first class bitch (First class)

Baby, I'm a first class bitch (First class)

I want it all, all that you got, I'm gonna take it
I'll take your watch, I'll take your shoes, I'll leave you naked
I stopped in Rome when I was on my way to Greece-o
I'm on a boat with Leonardo DiCaprio
Yeah, I'm the best and all my friends say that I'm sexy (You're so hot)
I told you once, I told you twice, you won't forget me
I told you once, I told you
