

## JANET

### Confidence Man

Anyway  
So, like whatever  
So, did you party last night?  
Ah, wait, what's going on  
What are you talking about?  
I don't know, I feel weird  
Oh my God, that's so weird

Janet  
You're the ringing in my ears, yeah I said it  
I've been saying it for years  
I'm together  
When you're pulling me apart  
Ah-ah-ah ah-ah ah-ah-ah-ah

Sugar  
Could you burn a bridge for me  
No forgiveness  
And there's no apology  
Yeah, you're special  
Just like everybody else

Ah-ah-ah ah-ah ah-ah-ah-ah  
Ah-ah-ah ah-ah  
When you look at me, I smile  
Ah-ah ah-ah-ah-ah  
Ah-ah-ah ah-ah  
When you look at me, I smile  
Ah-ah ah-ah-ah-ah

Oh my God, OK, get me drink, I'll be back in one second  
Wait up  
Um, who was that?  
I dunno but have you seen Janet?

Janet  
Yeah, you left me at the bar  
All nighter  
Now I'm sleeping in ya car  
Face it  
You know exactly who you are  
Ah-ah-ah ah-ah ah-ah-ah-ah

Sugar  
Berlin got the best of me  
Kinda special  
In our own reality  
Now we're strung out  
Just like everybody else  
Ah-ah-ah ah-ah ah-ah-ah-ah

Ah-ah-ah ah-ah  
When you look at me I smile  
Ah-ah ah-ah-ah-ah  
Ah-ah-ah ah-ah  
When you look at me I smile  
Ah-ah ah-ah-ah-ah

Ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah

Ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah  
Ah-ah-ah-ah-ah

Ah-ah-ah ah-ah  
When you look at me, I smile  
Ah-ah ah-ah-ah-ah  
Ah-ah-ah ah-ah  
When you look at me, I smile  
Ah-ah ah-ah-ah-ah  
Ah-ah-ah-ah-ah
