

Now U Do

Confidence Man

Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do

You never used to listen, now you do, do, do, do
There's two things in life, just me and you, you, you, you
You look good in sorrow, yeah, you do, do, do, do
I can tell you anything I like, like, like, like
You never used to listen, now you do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do
Do, do, do, do

I always see you
Pick up the camera, dry my eyes
I take a close-up
So I can see you all the time

I know there's two things in life, just me and you
You look good in sorrow, yeah, you do
I can tell you anything I like

You never used to listen, now you do, do, do, do
There's two things in life, just me and you, you, you, you
You look good in sorrow, yeah, you do, do, do, do
I can tell you anything I like, like, like, like
You never used to listen, now you do

I'm at a red light
And then you pull up next to me
High tension
Until you kiss me in the street

I know there's two things in life, just me and you
You look good in sorrow, yeah, you do
I can tell you anything I like

You never used to listen, now you do, do, do, do
There's two things in life, just me and you, you, you, you
You look good in sorrow, yeah, you do, do, do, do
I can tell you anything I like, like, like, like
You never used to listen, now you do, do, do, do
Do, do, dudu, dudu
Do, do, do, do
Do, dudu, dudu, dudu
Do, do, do, do
Do, do, dudu, dudu
Do, do, do, do
Do, dudu, dudu, dudu, do

There's two things in life, just me and you
You look good in sorrow, yeah, you do
I can tell you anything I like
You never used to listen, now you do

I know there's two things in life, just me and you
You look good in sorrow, yeah, you do
I can tell you anything I like

You never used to listen, now you do, do, do, do
There's two things in life, just me and you, you, you, you
You look good in sorrow, yeah, you do, do, do, do
I can tell you anything I like, like, like, like
You never used to listen, now you do
