

On & On (Again)

Confidence Man

Waking up in the air, I could be anywhere
I don't know anything but the way I feel
Change your life, change your mind take it back to the time
I don't know anything but the way I feel
Waking up in the air everything everywhere
I don't know anything but the way I feel
Losing light, lose your mind, find a day in the night
I don't know anything but the way I feel

But the way I feel
But the way I feel
But the way I feel
But the way I feel

Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on

Waking up in the air, I could be anywhere
I don't know anything but the way I feel
Change your life, change your mind take it back to the time
I don't know anything but the way I feel
Waking up in the air everything everywhere
I don't know anything but the way I feel
Losing light, lose your mind, find a day in the night
I don't know anything but the way I feel

But the way I feel (oh)
But the way I feel
But the way I feel (oh)
But the way I feel

Oh (oh) what a way to arrive
I'm the sun, I'm the sun in your eyes

Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on and on

Oh (oh) what a way to arrive
I'm the sun, I'm the sun in your eyes

You're the sun in my eyes
You're the sun in my eyes
You're the sun in my eyes

Again, again, again and on and on

Again, again, again and on and on
Again, again, again and on and on
Again, again, again and on and on and on and on and on and on and on and on
and on
Again, again, again and on and on
Again, again, again and on and on and on
Again, again, again and on and on
Again, again, again and on and on and on

Oh oh when I wake up
Oh oh when I wake up

Oh (oh)
Oh (oh)
Oh (oh)
