

# SO WHAT

## Confidence Man

Too many days of wasting your life, oh woah  
Too many ways to make it alright, oh say it, oh say it  
Too many days and too little time, oh woah  
Say no, say yeah, so what, so what, so what  
Too many days of wasting your life, oh woah  
Too many ways to make it alright, oh say it, oh say it  
Baby, no excuses tonight, oh woah  
Say no, say yeah, so what, so what, so what

You never wake up alone  
Never give up or go home  
You can wonder but I know  
I know, come on, come on

Too many days of wasting your life, oh woah  
Too many ways to make it alright, oh say it, oh say it  
Baby, no excuses tonight, oh woah  
Say no, say yeah, so what, so what, so what

Oh woah  
Say it, oh say it  
Oh woah  
Say no, say yeah, so what, so what, so what

Every time I waste it  
Every night I'm wasted  
I know what I'm chasing  
Slap myself awake, come on, come on, come on

You never wake up alone  
Never give up or go home  
You can wonder but I know  
I know, come on, come on, come on  
Slap myself awake, come on, come on, come on, come on  
Slap myself awake, come on, come on, come on, come on  
Oh woah  
Slap myself awake, come on, come on, come on, come on  
Oh woah  
Say no, say yeah

Yeah  
Too many days of wasting your life, oh woah  
Too many ways to make it alright, oh say it, oh say it  
Baby, no excuses tonight, oh woah  
Say no, say yeah, so what, so what, so what

Oh woah  
Say no, say yeah, so what, so what, so what  
Oh woah  
Say no, say yeah, so what, so what, so what  
Oh woah  
Say no, say yeah, so what, so what, so what
